# TC-WC1
# In-Table Wireless Charger

FSR

Power Products Group

DESCRIPTION

The TC-WC1 In-Table Wireless Charger is compatible with all Qi Standard Devices and will fast charge any Samsung device with wireless adaptive fast charging as long as the unit is powered by an adaptive fast charge power supply. FSR provides these power supplies with certain models (See ordering table). The unit mounts through a hole cut in the table and is easily secured from under the table with the supplied threaded collar. The wireless charger is offered in Black or White to blend with the décor.
