 newheights™

Ten Reasons why you'll L♥VE Bonita

- 1 Built to Last – Built in the USA.** RightAngle™ Products utilize the highest standards of design, engineering and production practices.
- 2 Lifting Capacity: 250 pounds** utilizing German gears and controls with a superior glide system.
- 3 Warranty. Ten years** - support brackets, columns and feet; **five years** - gears and/or motors, electrical components, gas cylinders and worksurface.
- 4 Unmatched Stability.** The lower cross support adds exceptional stability without compromising leg clearance. **NO WOBBLE.**
- 5 NewHeights™ Mobile App.** Control and manage your desk via Bluetooth™ technology, including hands-free voice command options.
- 6 Height Adjustment: 1.5 inches per second.** Change height positions quickly and experience minimal speed loss at maximum load capacity.
- 7 GyroSense Safety Features.** Detects collisions and prevents damage from obstructions.
- 8 Overload Protection.** Safeguards the internal component when a desk exceeds load capacity.
- 9 Finish Options.** Customize your desk with eleven thermally fused laminate worksurface colors, seven edgeband colors, and a silver or black base.
- 10 Affordably Priced.** The Bonita ET is engineered for **VALUE**, so you can have it all: stability, quality components, innovative tech, and a budget-friendly price point.
